Re: Institution Renewal Application – Maltings Training Ltd

Dear Mr. Phelan,

Pursuant to S.I. No 109 of 2000 as amended by S.I. No 575 of 2004 and S.I. No 166 of 2008, one of the functions of the Pre-Hospital Emergency Care Council (the "Council") is to recognise, in accordance with rules made by Council, institutions providing education and training to persons pursuing the award of the N.Q.E.M.T at the level of competence of emergency medical technician, paramedic or advanced paramedic. These rules set out the procedure for recognition which will apply to all institutions providing education and training to persons pursuing the award of the national qualification in emergency medical technology (NQEMT) and other PHECC responder level certificates.

I wish to inform you that your renewal application has been assessed and was successful. In accordance with Council rules, Maltings Training Ltd is required to make an annual renewal application to PHECC. Your renewal period is quarter 4 of this and every subsequent year. PHECC will notify you by email, 6 weeks in advance of the annual renewal deadline.

General feedback

- The PHECC logo appearing on Maltings Training Ltd's website is not linked to the PHECC website in accordance with the PHECC Logo Usage Policy and Maltings Training Ltd have been notified by email about same.
- PHECC note that Criteria 4.2 in the QRF Self-Assessment was rated "3" but was not reflected in 4.2 in the *Institution Action Plan* in the Quality Improvement Plan (QIP).

Finally, you are reminded that Council recognition and course approval is conditional on full compliance with current Council Rules for Recognition of Institution and Approval of Training Institutions, the Education and Training Standards and the QRF.

Kind regards,

Beth Breslin
ATI Coordinator
